

MEMORANDUM BY THE MINISTER OF JUSTICE

Land Acquisition (Public Purposes) Ordinance
(Chapter 136)

By a Declaration published in the Government Gazette by Notice 258 of the 26th of April, 1956, a plot of land was acquired at Bingemma, in the limits of Mgarr, Malta in connection with the construction of a water pumping station.

Following a further examination of the proposed construction it was found out that a larger area would be required and this explains why the former Declaration is being superseded by the attached Declaration.

The Acquisition is required for a public purpose in accordance with the provisions of the Land Acquisition (Public Purposes) Ordinance (Chapter 136).

From the valuation report of the Land Engineer it emerges that the freehold value of the plot has been assessed at £222. 18s. 4d.

Hon. Ministers are asked to recommend.
