

MEMORANDUM FOR THE CABINET  
BY THE HON. PRIME MINISTER

Declaration of the pensionability  
of the post of Mechanical Engineer  
in the Department of Trade and Industry

The post of Mechanical Engineer in the Department of Trade and Industry, which is on the pensionable establishment, is due to be filled by the appointment of Mr. Maurice Galea, B.Sc., Tech.(Mech.), B.Eng., B.E. & A., A. & C.E., G.I.Mech.E., A.C.S.T., who returned to Malta on the 30th July, 1962, after successfully completing the prescribed course of training abroad.

2. Action for Mr. Galea's appointment has been postponed pending clarification of the question of procedure to be adopted for the declaration of pensionable posts. This has now been settled and Hon. Ministers are therefore asked whether they agree that H.E. the Governor be advised to declare the post of Mechanical Engineer in the Department of Trade and Industry to be a pensionable office.

6th May, 1963.
