

London 14th October 1964

no. 202.

Prime Minister, Valletta, Malta.

Reference to message through Caruana Curran I have seen Secretaries Australian and Canadian Wheat Committee Stop Both countries wish to maintain supplies traditional customers but unprecedented supplies to Russia have rendered their inland transportation and port handling facilities inadequate Stop Australian Secretary suggests we should seek assurance supplies will be maintained to December 1964 and has cabled Australia seek such an assurance stop Canadian Secretary stated sales by Canadian Wheat Board have been stopped but some stocks available still from agents stop Both consider price will rise at least until next July and that Malta should stockpile urgently as far as supplies can be secured.
