

MEMORANDUM BY THE MINISTER OF JUSTICE

LAND ACQUISITION (PUBLIC PURPOSES) ORDINANCE, Cap. 136

The attached two Declarations by His Excellency the Governor-General refer -

- a) to the acquisition of a plot of land at il-Bidnija in the limits of Naxxar; and
- b) to the imposition of an easement on a field at il-Bidnija, also in the limits of Naxxar.

The plot of land in question is required permanently by the Government for the construction of a water tank and it is thus proposed to acquire it by absolute purchase.

The easement consists in a right of way along a passage forming part of a field and it is being imposed so as to gain access to the water tank above referred to.

The above acquisitions are therefore required for a public purpose in accordance with the provisions of the Land Acquisition (Public Purposes) Ordinance, Chapter 136.

From the reports submitted by the Land Engineer, it transpires that the value of the compensation payable amounts to ten pounds (£10) in respect of the above plot of land as freehold, and to two pounds, ten shillings (£2.10s. 0d.) in respect of the above easement.
