

MEMORANDUM FOR THE CABINET BY HON. MINISTER OF JUSTICE
AND PARLIAMENTARY AFFAIRS.

Hamrun By-Pass Project

This project is going to affect a number of tenements at Cannon Road Hamrun.

Among these tenements are nine business premises, shown on attached list, which give employment to about 70 people.

It will be difficult to provide alternative accommodation from the existing buildings in the area.

In many cases alternative accommodation was built for persons disturbed in the lease of business premises because of major projects.

Hon. Ministers are asked to decide that in this project provision be made for the construction of suitable premises for alternative accommodation for the business premises which are being demolished.

H.D. 32/67.

27th November, 1967.
