

MEMORANDUM TO CABINET BY THE HON MINISTER OF PUBLIC BUILDING AND WORKS.

Erection of hotel at Bay Junction St Julians

An application has been received to convert a block of flats, situated in Bay Junction St Julians, into a hotel. Applicant is requesting permit to erect an additional floor and a restaurant on the existing five storey building.

Plan showing the height of buildings in this locality is enclosed.

Hon Ministers are kindly requested to condier whether this application should be accepted and to determine the height of the proposed hotel.

31st January, 1968.
