

MEMORANDUM FOR THE CABINET BY THE MINISTER OF JUSTICE
AND PARLIAMENTARY AFFAIRS

Extension to the Catholic Institute
Floriana

Mons. F. Coleiro, the Director of the Catholic Institute, Floriana, has applied for a plot of land on the granneries between the Catholic Institute and Montgomery House, Floriana.

The Planners at the Ministry of Public Building and Works are against the development of this site and are of the opinion that it should remain as an open space. Moreover they consider that if applicant intends to encroach on the granneries the Director of Museum should be consulted.

I am in full agreement with the views expressed above, however, in view of the nature of the request, the Minister of Public Building and Works recommended that this matter be referred for a Cabinet decision.

Hon. Ministers may wish to agree that the request should be refused.

2nd February, 1968.
