

MEMORANDUM FOR CABINET  
BY THE PRIME MINISTER.

The Director of Civil Aviation is recommending that, as on previous occasions, the aircraft which took part in this year's International Air Rally in Malta, be exempted from landing and parking fees.

The estimated amount due in fees is £75.

There is no objection on the part of the Ministry of Finance to such exemption being granted.

The power to exempt is vested in His Excellency the Governor-General by Article 29 of the Air Navigation Order, 1961 (L.N. No. 10/63).
