

MEMORANDUM TO CABINET BY THE HON. MINISTER OF PUBLICBUILDING & WORKSImpressment of Cars

At a Meeting of the Cabinet held on the 16th March 1971, Ministers considered the question of vehicles impressed with or without drivers and agreed that each application for a change of ownership should be discussed in Cabinet.

The Ministry has received a petition from Mr Grezzju Muscat for the transfer of Truck No 7451 in favour of his son John Mary Muscat.

Mr Grezzju Muscat, whose Truck has been impressed with driver as far back as 1947, is basing his claim for this transfer on account of ill-health. As a matter of fact his son, John Mary, has been driving this truck for many years.

Hon. Ministers are requested to consider this application and may wish to approve the change of ownership.
