Memo, No. 60

MEMORANDUM

At the Cabinet meeting held on the 2nd June, 1972 it has been decided, inter alia, to delegate to the Minister of Health the authority to advise the Governor General in terms of Section 86(1) of the Constitution with regard to the grant of warrants to practise the medical profession.

This delegation does not cover the grant of warrants to pharmacists, dental and veterinary surgeons, midwives and other kindred professions.

Members are therefore being asked to extend the authority already given to the Minister of Health to include all kindred medical professions.
