Disposal of Government Dwellings and Building Land. (Memo no 308)

See sitting no. 66/65

It was agreed that the Housing Act be embodied into permanent legislation. The question of the sale of Government owned dwellings erected before 1959 to tenants was also discussed. It was agreed that the matter merited further study. Further consideration of the matter was therefore put off to another meeting of the Cabinet. The proposal to grant Home-ownership plots at Sta Lucia and

and 'mancera' on permanent emphyseus
was also discussed. It was agreed that
Government could not in principle approve
the policy to grant government property
on perpetual lease. It was desirable that
more funds be made available so that
the Home Owners Scheme might be
carried out.
