

MEMO FOR THE CABINET
BY THE MINISTER OF JUSTICE

(Appointment of member of the Land Arbitration Board).

On the appointment of Mr Joseph Attard, A.& C.E., as a member of the Land Arbitration Board, in lieu of Professor R.V. Galea, it was provided that the latter would continue to sit as a member of the Board in all matters in which, during the time he was a member of the Board, he inspected the tenements to which the matters before the Board related.

Since Professor R.V. Galea died recently, the said provision can no longer apply and it is, therefore, proposed that Mr Joseph Attard's appointment as a member of the said Board should be extended to cover also all matters which had been reserved for Professor Galea's cognizance as aforesaid.

Ministers are requested to advise the Governor accordingly.

26th November, 1962.
