

February 18, 1963

Hon Prime Minister

I have been asked to give an opinion as to the privilege attaching to the publication of the Murie Report. In my view that may be secured under section 36(a) of the Press Ordinance by publishing the Report "by authority of the Governor", who would of course in the present constitutional set-up act on the advice of the Cabinet.

(J.J. Cremona)
Attorney-General
