

Memorandum by the Minister of Justice
Land Acquisition (Public Purposes) Ordinance, Cap.136

The attached Declaration by His Excellency the Governor-General covers sixteen plots of land at Siggiewi.

It is proposed to acquire by title of absolute purchase.

The land is being acquired by Government for the purpose of widening Providenza Road. It is therefore required for a public purpose in accordance with the provisions of the Land Acquisition (Public Purposes) Ordinance, Cap. 136.

The Land Engineer in his report has assessed the freehold value of the property in question at £308.11s.7d. No consideration has been taken in this valuation in respect of rural rooms and wells existing in the land under review since these are being reconstructed by the Public Works Department on the residual sites.

Honourable Ministers are invited to recommend.
