

MEMORANDUM TO CABINET BY THE HON. MINISTER OF PUBLIC BUILDING
AND WORKS
BUILDING OF A HOTEL AT 'IL-PRAJJET' L/O MELLIEHA.

The Commissioner of Lands has informed the Director of Public Works that a request has been received for a land grant shown verged on the attached plan for the erection thereon of a hotel and other tourist amenities.

The site applied for falls in one of the preservation areas suggested in the plan prepared by this Ministry's architects for the North West Region of Malta. The Cabinet had approved the preservation plan but was prepared to consider applications for the erection of hotels in such areas.

The Director of Public Works suggests that a more proper site would be that marked X on the plan attached, thereby allowing the general public to continue enjoying the existing amenities which are becoming less every day.

Hon. Ministers are requested to consider whether this application should be accepted and permit issued.
