

MEMORANDUM TO CABINET BY THE HON. MINISTER OF PUBLIC BUILDING AND WORKS
Development of land Ta' Cenc, Gozo

On the 27th September, 1966, the Public Works Department issued a letter of intent for the development of Ta' Cenc, Gozo and the owners were requested to submit a development Scheme based on the conditions imposed by the Department.

The owners have now submitted for the Department's approval a plan showing proposed layout and standards for the roads network and also a preliminary zoning map. These were approved with some modifications.

Hon. Ministers are requested to consider whether the final permit for the development of the area should be issued.

17th July, 1967.
