

MEMORANDUM TO CABINET BY THE HON. MINISTER OF PUBLIC BUILDING AND WORKS

Application to build a hotel at Xemxija Hill, St Paul's Bay

An application has been received at the Public Works Department for the erection of a small hotel at Xemxija Hill, St Paul's Bay.

This application was discussed at a Town Planning Board, and the members were of the opinion that there should be no objection to the proposed hotel provided the space at street level is reserved as a carport and height does not exceed 2 floors from road level.

Hon. Ministers are requested to consider whether further action should be taken on this application and permit issued.
