

MEMORANDUM TO CABINET BY THE HON MINISTER OF PUBLIC BUILDING AND WORKS

Sa Maison Hotel Pieta

On the 18th September, 1967 a planning application was received for the erection of two floors to the existing Sa Maison Hotel and a restaurant at Roof level.

This application was discussed by the Town Planning Board on 28th November, 1967. The Board finds no objection to the erection of two additional floors and a restaurant at roof level. The question of parking facilities can be easily solved as parking can be made on the existing lane and on the opposite side, near the playing field.

Hon Ministers are kindly requested to consider whether this application should be further considered and permit issued.

Copy of site plan and plan of proposed main elevation attached.
