

Memorandum to Cabinet by the Hon. Minister of Public Building and Works

Erection of a hotel at 'Xorb il-Ghagin' limits of M'Scala

An application has been received for the erection of a hotel at "Xorb il-Ghagin" limits of M'Scala.

This application has been discussed by the Town Planning Board who are of the opinion that there should be no objection to the erection of a hotel in this area provided site coverage does not exceed 20%, the height of the building is not to exceed 3 floors at any point and the building set back at least 300 feet away from the cliff edge.

The United Nations Physical Adviser agrees with the Town Planning Board's recommendations, and is of the opinion that the erection of the hotel will not prejudice the detailed planning of the area.

Hon. Ministers are kindly requested to decide whether this application should be considered further and permit issued.
