

MEMORANDUM TO CABINET BY THE HON. MINISTER OF PUBLIC  
BUILDING AND WORKS

Erection of a Guest House at Prince of Wales Rd., Sliema

An application has been filed with the P.A.F.B. for the demolition of an existing building and re-erection of a Guest House at Prince of Wales Road, Sliema.

On the 29th August, 1969, the P.A.P.B. informed applicant that the relative building permit cannot be issued as conversion of existing buildings into hotels is objectionable.

On the 29th October 1969, applicant informed the Board that the existing building is a vacant old house which is being used as a store for merchandise.

Hon. Ministers are requested to decide whether the relative planning permit to convert the building into a hotel is to be issued and to determine the height of the proposed building.
